## EXPERIENCE

### English Teacher

JITRA WITTAYA, PRIMARY SCHOOL | Chiang Mai, Thailand | January 2018 - October 2019

- Customized innovative methods and materials to produce effective & engaging learning experiences. Picked topics for students to read reflecting personal interests to encourage regular reading

### Sales Advisor

EASIRENT CARHIRE | Dublin | May 2016 - September 2017

- Fostered relationships with customers traveling in from all over the world, expanding customer base and retaining business.

### General Operative Supervisor

O'BRIEN FINE FOODS | Ireland | November 2015 - April 2016

- Reinforced my recovery from injury by working a role that entailed physical lifting to strengthen my back while also learning & developing new leadership skills. I was soon leading a team of up to five staff on a daily basis. Often surpassing my targets set by senior management, due to efficient delegation, foreseeing potential problems before they arise

### Garden Associate

An Garraí Glas | Galway, Ireland | October 2014 - October 2015

- Managed to incorporate my recuperation from a serious back injury with learning new skills in an Eco-Farming Centre in Connemara. This job allowed me to use my creative skills to help shape what is now the forefront of a 4 part-documentary on TG4.

### Senior Motor Claims Advisor

AVIVA INSURANCE | Galway, Ireland | February 2013 - September 2013

- Working on all aspects of the claim from inception, investigating liability to negotiating settlement based on Case Law, policy guidelines and many other available sources until eventual closure

### Senior Claims Adjuster, Quantity Surveyor & Auditor

CUNNINGHAM LINDSEY, LOSS | Auckland, New Zealand | December 2010 - October 2012

- Held responsibility for between 50-100 Commercial Earthquake claims at any one time. Assigned to Commercial earthquake claims based around the Christchurch central business district
- I was in regular contact with the Client (Insurance Company), Solicitors, the Insured, Builders and many other significant parties
- For one quarter I was required to assist the Quantity Surveying team by quantifying the damage incurred to government housing, to form a reserve. Completing a schedule of works & bill of costs for the completion of earthquake repairs
- I was also the auditor for new claims before assigning them to relevant Handlers with detailed actions to be completed along with targets to be reached

### Pre Litigation Senior Claims Officer

QUINN DIRECT INSURANCE | Dublin, Ireland | August 2007 - October 2009

- Assigned to the Solicitor's team, dealing directly with solicitors, claims investigators and assessors in the UK vicinity. Communicating in writing and verbally – with the objective of settling the claim as swiftly and amicably as possible in order to avoid resorting to litigation.
- Consistently hit the highest closure rate for several months receiving the top bonus & accolades directly from highest management including the CEO.

## HOBBIES

## ACCOMPLISHMENTS

- Through grit, determination & extreme self-discipline, I overcame two major accidents in 2013 & 2017 which may have set me back with regard to time but only augmented my knowledge, drive & experience.
- Developed a product, patented the design plus the trade mark, sourced a production company & currently developing the website.
- Created two successful Facebook pages which gained over 15k followers & 5k plus respectively. One was recognized by Rte media as playing a significant role in the implementation of two statues in Dublin City. The second one was the first site to connect Irish people in Australia to help source work & accommodation through connecting, collaborating & sharing
